FACULTY OF SECURITY, LOGISTICS AND MANAGEMENT
MILITARY UNIVERSITY OF TECHNOLOGY, WARSAW

Calling Notice

LOGFAS Fundamentals and Data Operator Course

LOG-LG-26834 (NATO Approved)

DATE: 10 - 19 FEB 2026

PLACE: Faculty of Security, Logistics and Management, Military University of Technology, Gen. Sylwester Kaliski St. 2b, 00-908, Warsaw

TIME: The Course will start on 10 February, 2026 at 9.00; the Course will end on 19 FEB 2026 no later than 12:00.

AIM: After the following course, the Training Audience (TA) will be able to use the Logistic Functional Area Services (LOGFAS) software modules (LCM - LOGFAS Connection Manager, LDM – LOGFAS Data Management Module, GEOMAN – Geographical Manager Module) at the general level, in order to support the management of logistic resources and information. The purpose of the course is to provide military and civilian personnel at NATO, NATO Nation, Partner Nations and Organisations Headquarters with fundamental knowledge of LOGFAS system with a focus on building and managing logistics databases with practical usage including specific case studies.

SECURITY CLASSIFICATION: NATO/PfP/IP Unclassified

TARGET AUDIENCE:
1. Military officers (OF-1 through OF-4) and NCOs (OR-4 through OR-9), or their civilian equivalents, joint or combined organizations that are assigned to, or selected for assignment to NATO or national positions that involve management of logistic information in National or Multinational single or joint operations and/or exercises.
2. Language Proficiency: English 3232 IAW STANAG 6001.

TRAINING STRATEGY: This course is comprised of lectures, computer work with LOGFAS software, individual and group exercises using LOGFAS software with putting an emphasis on case studies.

DEPTH OF KNOWLEDGE: 200 – Intermediate

PERFORMANCE OBJECTIVES:
1. **PO 1**: Performance Statement: Recognize LOGFAS and its modules and features.
2. **PO 2**: Performance Statement: Manage logistics data and operate follow-on modules at the general level: LCM - LOGFAS Connection Manager, LDM – LOGFAS Data Management Module, GEOMAN – Geographical Manager Module.

REGISTRATION: Participants are kindly requested to submit their Online Registration Form at the following link https://forms.cloud.microsoft/e/K4y3qLxnQs not later than Friday, 23 January 2026.

After the registration, a confirmation message will be sent to notify the applicants of acceptance or rejection of the admission to the course.

DRESS: Combat Service Uniform for military personnel, business casual for civilian participants.

ACCOMMODATION: Accommodation is the participant's own responsibility. However, our suggestion for one's accommodation is to book a room at the **IBIS ACCOR Hotel**. The IBIS ACCOR Hotel is conveniently located in the city centre close to the Warsaw Old Town. To book your room use code **LOGFAS-26**.
